Angular Bar Charts visualise numerical data with proportional bars. Stack or group bars in vertical or horizontal layouts. Supports normalisation and customisation. Download AG Charts v10.3.3 today: The best Angular Charts and Angular Graphs, in the world.

Navigation Grid Configuration (Inner Grid) The grid for the navigation items (.nav) is a nested grid layout inside the outer grid that defines the general arrangement (logo, navigation items, user menu) in the <header> element uses the CSS grid's auto flow mechanics. This means that no explicit order of columns is defined, but each direct descendant element of ...

Anwei Grid Bar

Established in 2018. The Grid Bar gilt als einzigartiges Highlight in der deutschen Barszene. Mitten im lebendigen Kölnner Friesenviertel gelegen, präsentiert sich schon der Eingang zur Bar mit charakteristischem Understatement. Erst nach Betätigung der Klingel öffnet sich die Tür. Nach einem persönlichen Empfang geht es an der mit edlen Spirituosen und Cocktail-Reliquien ...
