??? ???????? ??????? ? ?????????????? ?????????? ?????????????? ??????????, ?????????? ? ????????? ?????????????, ?????????? ? ?????????????? ??? ??????????????????.

The first Kazakh perfume brand Aura of Kazakhstan was born out of love for the native land, its nature and history. The smells of mountains and steppes, large megacities and historical sites are the same cultural heritage of Kazakhstan as the objects of applied art, melodies, chants or traditions that have been passed down from generation to generation for centuries.
