Our solar hose and fittings have been used to connect solar panels to HW cylinders and pumping stations. We've been supplying the nation with solar fittings for almost 100 years, so you can be assured you're ordering the very best quality with unrivalled technical advice.

## Benin solar fittings

Benin is one of the least-developed countries in West Africa, struggling to satisfy the energy needs of its 12.2 million inhabitants [1]. With a total surface area of 114 763 km<sup>2</sup>, the country is endowed with a high potential for energy resources [2]. However, almost 59% of Benin's population currently lacks access to electricity [3] and the country is heavily dependent on ...

SolarMax presents 2PV and 3PV ground mounting solar panel structures that are fixed in open fields to convert solar energy into alternate energy contributing to an energy-efficient environment. Our solar structures are made with high-quality materials to last longer in extreme weather conditions.

Le Bénin, avec son riche patrimoine culturel et sa diversité naturelle, est un pays en plein essor. Pourtant, comme de nombreux autres pays, il est confronté à des défis énergétiques croissants, notamment une dépendance aux combustibles fossiles et des problèmes d'accès à l'électricité dans certaines régions. Face à ces enjeux, l'adoption de l'énergie solaire ...
