Who is Nijhuis Saur industries?

Nijhuis Saur Industries provides solid and adaptive solutions for sustainable and resilient water use, energy and resource recovery for Light and Heavy Industries, Utilities, and Commercial Buildings around the world. Our mission is #MissionWater.

Does Saur own Nijhuis industries & unidro?

Saur confirms completion of its acquisition of Nijhuis Industries, the Dutch leader in industrial water treatment solutions, initially announced on June 18 this year. The Saur Group will now bring Saur Industrie, Unidro and Econvert together with Nijhuis to form its new Industry Division.

Who is Nijhuis industries?

Saur announces the acquisition of Nijhuis Industries, a leading Dutch group specialised in advanced industrial water and wastewater treatment solutions with a worldwide footprint. Nijhuis Industries will bring Saur's Industrial Water activities to a step-change level with total annual revenues of about EUR200m, technological edge and global presence.

Will Saur industry merge with Nijhuis?

As a result, Saur Industrie, Unidro and Econvert will gradually merge with Nijhuis over the coming months to create the new Industry Division with effect from January 2021. It is therefore clear that this strategic investment by the Saur Group puts industry at the heart of its growth model.

Who is the new CEO of Saur Group?

The Saur Group will now bring Saur Industrie, Unidro and Econvert together with Nijhuis to form its new Industry Division. As previously announced, the new division will be headed up by Menno Holterman, who joined the Saur General Management Committee in July, and Ronald Ruijtenberg as CFO who joined the Group Executive Committee.

Why should you choose Nijhuis industries?

To accommodate the customer requirements, Nijhuis offers customized installations, to create profit out of (waste)water, process water and waste. Turn Your Cost Center Into A PROFIT Center At Nijhuis Industries it is our mission to help customers to reduce, reuse and recover water and resources to create profit.
