4 ???&#0183; Overview The Congo, which has a total area of 132,000 square miles, is located near the Equator in West-Central Africa. It extends more than 800 miles inland from the Atlantic Ocean and is bordered by Gabon, Cameroon, the Central African Republic, the Democratic Republic of Congo (DRC - formerly Zaire), and the Angolan enclave of Cabinda.

Upon independence in 1960, the former French region of Middle Congo became the Republic of the Congo. A quarter century of experimentation with Marxism was abandoned in 1990 and a democratically elected government took office in 1992. A two-year civil war that ended in 1999 restored former Marxist President Denis SASSOU-Nguesso, who had ...
