

Egypt stride energy

What is Egypt energy?

Join Egypt Energy, a 30-year legacy event celebrating Egypt's thriving energy sector. Explore a diverse range of energy products & connect with energy leaders.

How can Egypt improve the balance of payments?

Accelerate the deployment of renewable energy to lower the cost of energy supply and develop a regional market for decarbonised fuels. Accelerate the retirement of inefficient fossil-fuel plants to abate carbon emissions and free up Egypt's domestic gas resources for sale at global energy prices, hereby improving the balance of payments.

Why did BP and XRG close a joint venture in Egypt?

BP and Abu Dhabi National Oil Company's international investments arm XRG said on Monday they have closed a deal for a new natural gas joint venture in Egypt, as ADNOC expands its efforts to grow abroad.
