Global commodity trading company Montfort Group has bought a stake in Matola Terminal de Armazenamento de Petr#243;leos, an oil products terminal in the Port of Matola in Mozambique. The 59,600 m³ import terminal was formerly known as Oiltanking Matola, until it was purchased in June 2021 by a consortium of Energi Asia DMCC and Al Braik Investments.

Montfort will own, run, and develop the oil terminal in partnership with Energi Asia, which took over the terminal in June. According to Montfort, "the decision to acquire the stake in the Terminal was part of Montfort's overall objective to expand its business in the region and support Montfort's aspirations to reach out to customers in South and East Africa".
