Current boat -- heavy duty 6.5kW Kohler low speed generator and no solar. Previous boat we were happy as clams. No aircon off solar, but you dont" really need aircon at anchor, even in Florida. Current boat is set up to sail upwind long distances, which the previous boat was not capable of. Therefore, on a monohull, no solar. Generator is great.

French Polynesia 5000w solar generator

Delivery Across French Polynesia. EASY Returns & Exchange.

A solar generator with an output of 5kW (5000W) is a pretty powerful one. Most portable solar generators have an output ranging between 150W and 3000W. 3000W+ solar generators are few, but we are starting to see more of them in the market.. With 5kW of output, you can not only run any household appliance, you can power multiple appliances at the same time.
