Price: \$2,000-\$10,000 (depending on size)* *This estimate does not factor in installation costs. Sizes Available: 3, 5, 10kWh. What's good about this battery: Modular design, meaning that you can add extra batteries if extra storage capacity is needed; Cheaper price point than other comparable batteries

Drawbacks: While prices vary by installer and project type, the Home 8 tends to be on the expensive side. Best DC-coupled batteries. The major advantage of DC-coupled batteries is much higher round-trip efficiency, which can add up to longer backup power and greater bill reductions.
