Lesotho solar battery solutions

Our Story. OnePower Founder and CEO Matt Orosz proudly served as a Peace Corps volunteer in Lesotho from 2000-2002. Living in the village Phamong without electricity for two years served as the motivation for his passion for designing energy infrastructure solutions, and his career in global energy access is built on a foundation made in Lesotho.

OnePower (1PWR) is a solar power developer based in Lesotho with both on-grid and off-grid projects. A consortium led by 1PWR won Lesotho's first tender for a utility scale 20MW PV plant, and 1PWR designed, built and operates the nation's first fully licensed and privately financed minigrid at Ha Makebe in Berea district.

TIRED OF LOAD SHEDDING AND HIGH ELECTRICITY COSTS? Our range of home and commercial batteries combine energy storage systems with smart technology, packed with practical features. 10 year / 10,000 charging cycles warranty, remote monitoring, plug and play technology and fully expandable storage are all as standard.

Containerised off-grid solar systems manufacturer SustainSolar was contracted by minigrid developer OnePower Lesotho to deliver the first batch of seven modular, turnkey and rapid-deployment ...

In a world increasingly concerned about sustainability and environmental impact, solar energy has emerged as a shining beacon of hope. Solar panels have become a common sight on rooftops and in large-scale solar farms, providing clean and renewable energy.

The Lesotho Electricity Generation Company (LEGCO) is a company wholly owned by the Government of Lesotho. LEGCO was incorporated on the 29 th January 2020 as a public company under the Companies Act of 2011. It commenced its full operations on the 1 st September 2020.
