

# Longi Photovoltaic Panel General Distributor

Where can I buy LONGi Solar panels?

Solarity is one of the leading distributors of LONGi Solar solar panels, which offer low LCOE and minimal degradation. Use our wholesale services including shipping anywhere in the world.

Who is LONGi Solar?

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on monocrystalline wafers since then. More about LONGi Solar Effectiveness and improved efficiency The latest certified technologies

Does LONGi Solar offer a warranty?

Contact us LONGi Solar provides a 12-year extended product guarantee for all panels. The performance guarantee for standard panels is 25 years, with 30 years for bi-facial. The LONGi Solar philosophy is to gain the maximum from solar energy to build a green world.

What makes LONGi Solar special?

What makes LONGi Solar special is the production of wafers, or solar cells. Where other solar panel manufacturers procure their cells from third parties, LONGi Solar manufactures them in-house. With over 17,000 workers in 12 countries, this global player is the undisputed number one in high-efficiency monocrystalline solar cell production.

How long do LONGi Solar panels last?

The performance guarantee for standard panels is 25 years, with 30 years for bi-facial. The LONGi Solar philosophy is to gain the maximum from solar energy to build a green world. Today, LONGi is part of a community of world-leading producers of monocrystalline silicon panels.

Why is LONGi the most valuable solar company in the world?

With innovation and sustainable development as their two guiding values, they have become the most valuable solar company worldwide. LONGi supplies more than 30GW of high-efficiency solar wafers and modules worldwide yearly, which equates to about a quarter of the entire global demand.

Baku, Azerbaijan - From November 11th to 22nd, the 29th Conference of the Parties (COP29) to the United Nations Framework Convention on Climate Change took place in Baku, the capital of Azerbaijan.
