

Outdoor safe charging intelligent liquid cooling energy storage products

Outdoor energy storage cabinet integrates energy storage battery, modular Pcs, energy management monitoring system, power distribution system, environmental control system and ...

15 years life, 8,000 cycles. High efficiency full liquid cooling heat dissipation, system cycle efficiency exceeds 88% Easy to Install Integrated integration, pre-installed delivery Support ...

Commercial & Industrial ESS Excellent Life Cycle Cost o Cells with up to 12,000 cycles. o Lifespan of over 5 years; payback within 3 years. o Intelligent Liquid Cooling, maintaining a temperature ...

PCS-8812 liquid cooled energy storage cabinet adopts liquid cooling technology with high system protection level to conduct fine temperature control for outdoor cabinet with integrated energy ...

Adopting the design concept of "ALL in one", the long-life battery, battery management system BMS, high-performance converter system PCS, active fire protection system, intelligent power ...

The All-in-One liquid-cooled energy storage terminal adopts the design concept of "ALL in one," integrating high-security, long-life liquid-cooled batteries, modular liquid-cooled PCS, intelligent ...

Commercial & Industrial ESS Our professional R& D team focuses on meeting the individual needs of our clients, tailored to create efficient and stable battery solutions that facilitate the ...

The 125kW/261kWh liquid cooled energy storage cabinet adopts an integrated design concept, which is a highly integrated energy storage product that integrates battery system, BMS, PCS, ...
