

Will Qatar send liquified natural gas to Germany in 2024?

Qatar hopes to start sending liquified natural gas (LNG) to Germany in 2024 Image: Michael Sohn/AP/picture alliance Germany agreed an energy partnership with Qatar as Chancellor Olaf Scholz met with Emir Sheikh Tamim bin Hamad al-Thani in Berlin on Friday. Germany is hoping to reduce its reliance on Russian energy supplies.

Does Germany have an energy partnership with Qatar?

Germany agreed an energy partnership with Qatar as Chancellor Olaf Scholz met with Emir Sheikh Tamim bin Hamad al-Thani in Berlin on Friday. Germany is hoping to reduce its reliance on Russian energy supplies. "The energy security issue plays an important role for us.

Does Qatar play an important role in Germany's energy policy?

As Berlin seeks to ween itself off Russian energy sources, Chancellor Scholz has said Qatar "plays an important role" in energy policy. The visiting Emir of Qatar has confirmed could start LNG deliveries by 2024. Qatar hopes to start sending liquified natural gas (LNG) to Germany in 2024 Image: Michael Sohn/AP/picture alliance

Will Germany build LNG terminals in Qatar?

German Economic Minister Robert Habeck visited Qatar in March this year to announce an energy partnership between both countries. Chancellor Scholz said Germany would build two new LNG terminals to expedite the import of Liquefied Natural Gas (LNG) from other countries. They are expected to be completed by 2026.

What does Germany's decision to fast-track LNG supply to Qatar mean?

Qatar welcomed in a statement Germany's decision to "fast-track" the development of two LNG terminals and said the countries' "respective commercial entities would re-engage and progress discussions on long-term LNG supplies from Qatar to Germany".

What role does Qatar play in Europe's natural gas strategy?

"It's a big step and Qatar plays an important role in our strategy," Scholz added. Germany, Europe's largest economy, consumes around 100 billion cubic meters of natural gas annually, with 55% of that coming from Russia via the Nord Stream 1 pipeline and other smaller volumes from Netherland and Norway.

German Chancellor Olaf Scholz welcomed a new deal for liquefied natural gas (LNG) from Qatar on Tuesday as a "building block" towards his country's energy security and a sign that Berlin had many different ...

The world's top liquefied natural gas (LNG) exporter Qatar has recently commissioned the largest carbon dioxide (CO2) recovery and sequestration facility in the Middle East and North African ...
