Our cutting-edge products keep you connected on the go, while our focus on quality and customer satisfaction ensures a seamless experience. © 2023 Ravpower.com All Rights Reserved.

Where is my RAVPower order shipped from?

Most RAVPower.com orders are processed by Amazon and shipped directly from Amazon distribution center in California. When you place an order on the RAVPower website, you will receive a shipping info email from Amazon and/or one from the website. Please check your registered email inbox for your order status.

How do I contact RAVPower customer service?

For customer service, please contact support@ravpower.com or call us on 1-888-456-8468. RAVPower® is a trademark Registered in some countries. All other products and brand names are trademarks of their respective owners. Last updated Jan 1, 2022. Delivery times may be longer than usual due to the COVID-19 pandemic across the globe.

What is the return policy for RAVPower products?

RAVPower's return policy allows for undamaged products to be returned for a full refund for any reason within 30 days of purchasing. The refund process begins once the returned item arrives back in RAVPower's warehouse for inspection. The return must include all accessories and require the original packaging.

Does RAVPower have a PD pioneer Charger?

Enter the PD Pioneer from RAVPower complete with an AC outlet. This device (model RP-PB201) has one Power Delivery (PD) port and one QuickCharge (QC) port so you can charge your laptop and phone simultaneously. RAVPower's 65W charger seems too good to be true, as it's compact and ultra-powerful.
