In 2020 I wrote a review about the Sun Exchange, the world's first peer-to-peer solar panel micro-leasing platform which powers solar projects primarily in South Africa. Now a very similar model is available in Barbados which allows Barbadians to own solar panels within an operating solar project and thereby earn solar passive income for 25 ...

Many want solar options that are easy to install and affordable. Luckily, such options exist. These include portable solar panels, solar panel kits and off-grid panels. Off-grid solar panels can harness enough power to supply energy for your entire home, while portable solar panels are better for on-the-go solar power usage.
