

Steam storage tank setting location

Originally posted by GeberWolf: Steam > Settings > Storage > Select desired drive from dropdown list > Click on three dots (ooo) on right side > Make Default Correct. Valve ...

I believe you can't move the steam folder on the C drive, same goes for trying to have 2 folders on the same drive, the only option would be having another SSD/HDD or partition for your C drive.

Storage Location By default, Steam wants the storage location on the "C" drive. But I have placed my game storage on my "H" drive. Once I set the storage location for the "H" ...

Finally built a PC, haven't opened up Steam in years, how do I change my install folder? I'm seeing guides with the new UI where they have a plus icon on the top right of the storage tab. I ...

Under Steam Client ---> SETTINGS ---> Storage: The "Browse Folder" menu item under the three dots (...) is not registering any click inputs. When I click the "Browse Folder" menu item, ...

Many storage tanks currently in use in the chemical and related industries are designated as "atmospheric" storage vessels. Experience with the design of pressure relief systems on such ...
