

Triathlon intelligent batteries Benin

What is triathlon ® lithium-ion battery?

TRIATHLON ® Lithium-Ion batteries are made up of Lithium-Ion cells that are assembled into modules which provide the required voltages and Ah capacities. We offer complete battery systems in all standard battery voltages. The battery system meets the highest safety requirements.

Who makes triathlon batteries?

For several years now, Triathlon Batterien GmbH has been producing battery systems based on the pioneering Lithium technology. TRIATHLON ® Lithium-Ion Battery Systems are developed and designed for safe and reliable use in electric industrial trucks.

Why should you use triathlon ® batteries for electric lift trucks?

TRIATHLON ® batteries of the TPzS product line ensure safe and reliable power for electric lift trucks. With the TRIATHLON ® TPzS A (X) AQUA save battery line, you can increase your productivity and lower your operating expenses through reduced watering intervals.

A Sunlight Group company. We power innovative energy solutions. Sunlight Group gives energy for a brighter future for all. Sunlight Group is member of Olympia, an international investment Group with a diversified business ecosystem that spans eight countries, founded by Panos Germanos in 1980. Home Triathlon Battery Solutions, Inc., a part of Sunlight Group, is a global provider of efficient energy solutions for challenging applications. Offering groundbreaking battery and charging technology products and the highest commitment to customer service. Follow us LinkedIn; Facebook; Instagram;

TRIATHLON ® batteries of the TPzS, TPzB and TPzV series ensure a safe power supply in electric industrial trucks. We work permanently and consistently on new and innovative solutions for safe, cost-efficient and reliable electric battery-powered operation. For heavy-duty applications we recommend our TPzS more Power series.

TRIATHLON ® Lead-Acid Batteries utilize the highly sophisticated European tubular plate technology with flexible bolt-on inter-cell cable connectors. TRIATHLON ® Tubular Batteries are designed specifically for all motive power heavy duty applications and multi-shift operations. For light to medium applications, we provide maintenance-free (valve-regulated) gel technology ...

Triathlon intelligent batteries Benin

TRIATHLON - Intelligent Batteries | The plant in Glauchau / Saxony, which opened in 2014, is the heart of Triathlon Batterien GmbH's battery production. In addition to production, essential know-how in the development of Lead-Acid batteries and Lithium-Ion battery systems is also bundled at the site. Around 150 employees work in four production ...
